Golf Club St. Leon-Rot e.V.

St. Leon-Rot Golf Club not only stands out amongst Germany's golf courses because two well-known golf magazines nominated one of our two courses "Best Course in Germany".

It also offers the perfect combination of top level, international golfing standards and facilities with the perfect opportunity to relax in beautiful natural surroundings.

St. Leon Championship Course

The St. Leon Course was designed by the English architect Dave Thomas in the style of a links course. The feel of the course is reminiscent of those found in Scotland and Ireland, and it offers a stark contrast to the Rot Course. If you are used to rather flat parkland courses you will certainly find St. Leon's lush, undulating greens and fairways a challenge. If that is not enough, the ubiquitous water hazards and lakes both around the greens and alongside the fairways are a constant threat to stray balls. An impressive feature of St. Leon are its artistically shaped and sometimes gigantic bunkers, whose strategic positioning provides not only excellent protection to the greens but also makes for narrow and challenging fairways.

ACCOMMODATION

We are offering the Fairway Hotel as official tournament hotel. A tournament Shuttle will be provided from the airport to this hotel. The hotel is located within walking distance from the GC St. Leon-Rot.

In Order to guarantee equal treatment to all teams , each Federation/Union will get a distributed capacity of three twin and two single rooms. Players should preferably be accommodated in twin rooms, so that each team would have two single rooms for coaches and/or captains. At May 11 the remaining rooms will be offered for sale.
