Re: Instructions for Completing 2012 WATC Entry/Eligibility Conditions Form

Please find attached the 2012 WATC Entry/Eligibility Conditions Form for teams entered in the 2012 World Amateur Team Championships (WATC). The entry list is enclosed.

Please print enough copies of this form so as to have one form for each captain and one form for each player coming to Turkey.

The IGF Member National Golf Federation (NGF) must certify each form via signature by hand and federation stamp.

For ease, you are advised to complete these forms in advance, except for captain and player signatures, and bring them to Team Registration in Turkey. At Team Registration, each captain and player must sign his/her form in front of an IGF representative. Please do not ask the captains and players to sign their forms in advance.

Please note that in the case of a minor, the parent/legal guardian page must be completed in advance as a signature by hand is required.

There will be additional forms available in Turkey if needed. Captains may sign on behalf of the NGF if needed. Captains may sign their own Captain forms if needed.

Each captain and player must complete this form. Any player or captain who does not complete the form may not participate in the WATC. Any minor who does not have the form completed by a parent/legal guardian may not participate in the WATC.

Though the captains and players will not sign their forms until they are on site at Team Registration in Turkey, please make them aware of the content of the form immediately so they understand their obligation in this regard.
