**MEDICAL CERTIFICATE
OF NO CONTRAINDICATION
TO THE PRACTICE OF GOLF**

According to our French laws and rules, a Medical Certificate is required for all players entering an International Championship or National Competition in France including Clubs' competitions.

We draw your attention to this important rule in the conditions of play. This measure is to be used in all sports and by all competitions' organizers who can be recognized as responsible.

Therefore the French Golf Federation must receive the medical certificates duly filled by the doctor even if your players are well insured when they travel abroad and if a medical assistance covers all expenses.

We know that some countries don't have anything like this and do not issue such certificates to their players. Therefore, you will find hereunder a form-sheet "medical certificate already personalized" to know what exactly needs to be on it.

All players must send this medical certificate to the French Golf Federation:

68 rue Anatole France

92309 LEVALLOIS PERRET CEDEX

Fax : 33 / 1 41 49 77 22

We hope you understand our position according the French law and are very happy to receive your players in French International Championships.
