

Country Team Check-List

1. **Secure your visa to travel to the USA.** This is your responsibility, and you will not be allowed in the USA without a visa.
2. **Book air travel.** Contact the Carlson Wagonlit Travel Agents listed in your Country Team General Information Packet. The Spirit Golf Association pays for all four Country Team Players' airfare. Team Captain airfare is the responsibility of each golf federation/association, but can still be booked through Carlson Wagonlit Travel Agents.
3. Complete the Official Team Registration Form by **July 15**
4. Submit preference for Spirit Cup player invitations to smeyer@spiritgolf.org by **August 1**.
5. Have all four Country Team Players complete their Participant Information Forms by **August 30**
6. Have all four Country Team Players complete their Medical Health & Waiver Forms by **August 30**
7. Send a hi-resolution color photo of each Country Team Player to smeyer@spiritgolf.org by **August 30**
8. **Pay your caddie fees.** If your caddie fees are not paid prior to the tournament, please bring the resources (i.e. travelers checks, ATM card, international money order) for the \$350 (US dollars) caddie fee. The tournament strongly recommends players (or their national golf association) pay caddie fees prior to the tournament week via wire transfer. Please contact Tournament Administrator, Bettianne Barnard, at bbarnard@spiritgolf.com for more information.
9. National attire must be coordinated by the National Golf Association and the team members and should be worn at the Opening Ceremony on Sunday, October 27.

These are mandatory requirements for participants of The Spirit International Amateur Golf Championship. Please contact your national golf association or The Spirit tournament office at (281) 298-2610 or smeyer@spiritgolf.org with any questions.
