Message from the President of the European Golf Association

On behalf of the European Golf Association, I would like to welcome all competitors, officials and supporters to the 2012 European Young Masters.

My special thanks go to the Hungarian Golf Federation for organising this event and to the officials, staff and volunteers who have helped with the preparations. I also extend my gratitude to all members of Royal Balaton G&YC who have made their excellent and challenging golf course available.

Since this is the 75th year in the EGA's history, I have a special reason to wish all participants and spectators a very successful and enjoyable championship. I hope that the experience will provide fond, lasting memories. Together, let's make this tournament a good one.

Royal Balaton Golf & Yacht Club is one of the youngest golf courses in Hungary and the only 18-hole championship course at Lake Balaton.

Lake Balaton is the largest lake in Central Europe and as the country is landlocked, it is often referred to as the 'Hungarian Sea'. It is one of the most popular tourist destinations in Hungary.

The Par 72 course was carefully designed to fit into the hilly landscape of the lake's northern shore and to give a view to the lake from most of the 18 holes. In 2009 the course hosted the Hungarian National Cup. It was the venue for the Hungarian Amateur Championship and the Monarchy Cup in 2010 as well as the European Young Masters both in 2010 and 2011. The golf course

The range and club house of Royal Balaton Golf & Yacht Club is open to its guests since July 2007. The 67-hectare course was designed by the world-famous architect, Hans-Georg Erhardt and required the movement of 300 000 m³ of soil shaping 30 000 m² of water surface into lakes and sowing 15 tons of grass-seed. It offers a new sensation of relaxation at the shore of Lake Balaton.

The challenging course in the neighborhood of Tihany has a picturesque location between Balatonudvari and Örvényes and provides a breathtaking view over the lake.

Places to Visit

Balatonfüred is a popular resort in Veszprém County in Hungary with a population of thirteen thousand situated on the north shore of Lake Balaton. It is considered to be the capital of the northern lake shore and it has significant yachting life. The town has two marinas, a string of carbonated mineral water springs, beautiful listed buildings from the middle of the 18th and 19th centuries and fine restaurants. People come here to enjoy the mild micro-climate, beautiful scenery, the local wine, sailing and swimming facilities.

Tihany is an enchanting village on the Tihany Peninsula. The whole peninsula is a historical area. The centre of the district is the Benedictine Abbey, which was founded in 1055 AD by András (Andrew) I, who is buried in the crypt. The founding charter of this abbey is the first extant record of the Hungarian language preserved in the Pannonhalma Benedictine Archabbey. The church itself was rebuilt in baroque style in 1754. The still-functioning abbey is a popular tourist attraction due to its historical and artistic significance. It also has the best view to Lake Balaton.

Veszprém, one of the oldest towns in Hungary, is now a city with county rights and lies approximately 15 km to the north from Lake Balaton. It is the capital city of the administrative county bearing the same name. According to a local legend, Veszprém was founded on seven hills. Anonymus, the notary of King Béla III, wrote that a castle already stood here when the Hungarians first occupied the area. Veszprém was the favorite city of Queen Gisela, the wife of St. Stephen. For centuries, the queens of Hungary were crowned by the bishop of Veszprém. The city is still often called "the city of queens."

Lake Hévíz is located close to the western side of Lake Balaton, 8 km from Keszthely. It is the largest thermal lake in Europe (47,500 m²). The flow of water is very strong and the lake is believed to be completely replenished each day. The waters are reputed to have curative effects and there is a thriving health tourism industry in this area. Lake Hévíz is the oldest and most well-known thermal bath of Hungary according to the records of the Roman era and has a long history dated back to 2000 years. The Hévíz treatment is also older than 200 years. The lake is fed by its springs surging up from a depths of 38 m.

MEDICAL CERTIFICATE FORM (Please fill in with capital letters)

According to Hungarian law, a Medical Certificate is required for all players entering an International Championship or National Competition in Hungary including Club competitions. We herewith draw your attention to this important rule included in the conditions of play. This is to be fulfilled in all sports and by all competition organizers.

Therefore, the Hungarian Golf Federation must receive the medical certificates duly filled in by a doctor even if your players are insured when they travel abroad and if a medical assistance covers all expenses.

Considering that some countries do not have such regulation and do not issue such certificates, a medical certificate form is prepared in advance that you will find hereunder.

All players must send this medical certification to:

HGF – Istvánmezei út 1-3 – 1146 Budapest – Hungary

Tel: +36 1 460 6859 – Fax: +36 1 460 6859 – Email: buna.edvin@hungolf.hu

Each player has to return this form by the deadline indicated below in order to be able to play the EYM 2012.
