

MEDICAL CERTIFICATE FORM

(Please fill in with capital letters)

According to Hungarian law, a Medical Certificate is required for all players entering an International Championship or National Competition in Hungary including Club competitions. We herewith draw your attention to this important rule included in the conditions of play. This is to be fulfilled in all sports and by all competition organizers.

Therefore, the Hungarian Golf Federation must receive the medical certificates duly filled in by a doctor even if your players are insured when they travel abroad and if a medical assistance covers all expenses.

Considering that some countries do not have such regulation and do not issue such certificates, a medical certificate form is prepared in advance that you will find hereunder.
