In the event of team entries exceeding the number of places available in the Championship, the Evian Masters Juniors Cup Committee will make a choice as follows:

- For European Nations, the first eight best-placed teams in the previous European Young Masters Nations Cup + 2 invited teams.
- For non-European Nations, a maximum of 5 invited teams.

The tournament will be decided by stroke play over 2 rounds of 18 holes each, in accordance with the Rules of Golf as approved by R&A Rules Limited and with the local Rules approved by the Championship Committee.

In the event of a tie after 2 rounds (boys and girls categories), the winner will be decided by a sudden death play-off which will take as soon as practicable after the last competitors have completed their final round. Ties for other placing will be decided by count back over the final 18, 9, 6, 3 holes and last hole and then "hole by hole".

A Nation's Cup will be played within the tournament. The three best gross scores of four will count each day. The total aggregate of the 6 scores over the 2 days will constitute the team's score.

In the event of a tie, the lowest total of the 2 non-counting scores will prevail. If there is a further tie, the best aggregate of the lowest score on each day will prevail. If there is a further tie, the best aggregate of the second best score will prevail, etc.
