

2011

European Amateur Team Championship

Victoria Golf Club – Algarve
PORTUGAL

EUROPEAN AMATEUR TEAM CHAMPIONSHIP

Having had the privilege to attend many European Golf Association championships it is a great honor to host the most important of them all in Portugal.

European Team Championships represent the leading exponent of amateur golf and for many participants just a step away from the professional tours around the World. Payers like Padraig Harrington, Matteo Manassero, Edoardo and Francesco Molinari, Justin Rose, Martin Kaymer, Alvaro Quirós and Rory McIlroy, just to name a few, have played this championship in previous editions.

Having said that it was our main concern to find the perfect venue for the 2011 European Amateur Team Championship and the Oceânico Victoria Golf Course is a clear commitment to our goal. Having hosted the World Golf Cup in 2005 and being the home of the Portugal Masters since 2007 the success of the championship is half achieved.

I would like to thank our partners. The Portuguese Sports Institute, Oceânico Golf, Tivoli Hotels and last but not least The R&A for all the support given to the Federation in general and this event in particular.

A word of praise to the European Golf Association for trusting the Portuguese Golf Federation so many of its events and very especially this one.

On behalf of the Portuguese Golf Federation I welcome all teams, officials, sponsors and partners to the wonderful Algarve and may the best team win.

Manuel Agrellos

PGF President

EUROPEAN AMATEUR TEAM CHAMPIONSHIP

VENUE:

Oceânico Victoria Golf Course

Oceânico Victoria Golf Course is just a 20 minute drive from Faro Airport.

The Oceânico Victoria , which covers some 90 hectares, is the only Arnold Palmer design golf course in Portugal.

As one of the best and most sophisticated golf courses in Europe, every care has been taken to ensure the preservation of the wetlands and the typical vegetation of carob, olive and almond trees. Several lakes, occupying 13 hectares, provide mirrors of water and strategic reservoirs for irrigation.

The course features 5 or 6 tees per hole; wide, undulating fairways; extensive water hazards and cleverly positioned bunkers. In addition there is an exceptional driving range and a putting green of some 2,500m².

The Oceanico Victoria golf course is an 18-hole, par 72 championship layout, measuring 6609m from the back tees. Opened in 2004, Oceanico Victoria is a unique, unforgettable experience for all who play there, and is a major venue for top international tournaments:

- Host to the Portugal Masters 2007-2011
- Host to the PGA World Cup 2005
- **PAR:** 72
Length: 6609m
Slope rating: 129
Architect: Arnold Palmer
