have the honour and privilege to invite you to participate

Championship website: <http://www.cgf.cz/EBTC2011.aspx>

MESSAGE FROM THE PRESIDENT OF THE EUROPEAN GOLF ASSOCIATION

On behalf of the European Golf Association I would like to welcome all teams, officials and supporters to the 2011 European Boys' Team Championship.

My special thanks go to the Czech Golf Federation for organising this event and to the officials, staff and volunteers who have helped with the preparations. I also extend my gratitude to all members of Prague City Golf Club who have made their superb and challenging golf course available.

This championship bears a very special importance to all competing teams; the best boy golfers from our member countries will be representing their respective nations, often for the first time. The confidence they acquire from being a part of such competition is often the greatest reward. I am certain that all will be inspired to perform at their best and that we will see golf of the highest standard.

I would like to wish all teams, officials and spectators a very successful and enjoyable championship and that the experience will provide fond, lasting memories.

May the best team win.

President

MESSAGE FROM THE PRESIDENT OF THE CZECH GOLF FEDERATION

On behalf of the Czech Golf Federation I have to confirm that it has always been a great and welcomed honour to host an EGA golfing event.

The Czech Republic already organized European Boys' Team Championship 2003 in Cihelny and we all feel privileged that we can welcome the best young European players again here in the Czech Republic.

The European Boys' Team Championship is returning to the Czech Republic after long eight years. This time it will take place at Prague City Golf Club in Zbraslav. I would like to thank both the club's management and staff and my colleagues from the Czech Golf Federation Championship Committee for their enormous efforts in preparing this event. I am convinced we will enjoy a great week of golf at the top European level.

The tournament undoubtedly ranks among the most recognized sporting events in the Czech Republic in 2011. I also dare to say that it will draw a huge audience of Czech golf fans and sport lovers.

I wish all the best to all teams while playing on Prague City Golf Club's challenging championship course and also while discovering numerous beauties of Prague, the Czech capital city and one of the nicest historic cities in Europe.

I believe that not only the winning team but all the visiting teams will remember their summer stay in Prague and the Czech Republic forever.

May the best team win!

Czech Golf Federation
Jan Jenčovský
President

The Course

The 18-hole course of Prague City Golf Club was built on 156 hectares of lowland located between Zbraslav Castle and the Berounka river on the southwestern outskirts of Prague.

The clubhouse and restaurant were built following sensitive reconstruction of a 200-year old horse stable. The course, co-designed by Alex Čejka, has been designed as a championship course with ambition of hosting top amateur and professional men and ladies tournaments. The front nine called the „Links Nine“ and the back nine nicknamed the „Lakes Nine“ provide a tempting challenge to golfers of all skill levels.

The course was designed by British architect Jeremy Ford in cooperation with well known Czech-born professional Alex Čejka. Shaping of the course was brilliantly executed by Mick Shane from Scotland.
