CRANFIELD GOLF ACADEMY

MAIN COURSE

27 Championship holes quite flat and ideal for any type of golfers. Some of the holes run along the Atlantic Ocean (Links) and the rest park land, with a few lakes and spread with strategic bunkers.

PAR THREE COURSE

A real 9 holes par three course, ideal for practising short game. All the holes with different distances, from 100 to 180 meters, to use every golf club in your bag.

DRIVING RANGE

One of the best driving ranges in Europe, 300 meters wide and 350 meters long with an admirable view over the Atlantic Ocean. Several amateur groups with their pros can be working at the same time without disturbing each other. The driving range has generously space for 120 players, all playing from grass at the same time.

PUTTING GREEN AND APPROACH AREAS

A 1500 square meter putting green where you can practise all distances putts with different undulations. On the short game area you can practise pitching, chipping and bunker shots up to 60 meters (1000 square meter green), leaving you nothing to desire with the facilities to improve your game.

CLUB HOUSE FACILITIES

In the centre of the golf course, connecting all 3 courses is the majestic clubhouse with top quality golf shop, dressing rooms, showers, saunas, gymnasium and a sunny terrace overlooking the driving range and the Atlantic Ocean. A conference room with space for up to 56 people, full swing and putter analyzers and club storage. Golf carts, trolleys and golf clubs for rent. Free wireless Internet connection at Club House.
