PENATI GOLF RESORT

The world-class **36-hole golf course Penati Golf Resort** is a singular project in Slovakia and a newcomer on the map of the top golf resorts in Central Europe. It is situated in the region of Záhorie, near the town of Senica, not far from the czech-slovak border and less than an hour drive from two large cities Vienna and Bratislava.

Nature's ingenuity in this area of Záhorie knows no bounds. By taking advantage of its environmental characteristics, and factoring in the needs of sport at a top-notch level, the beauty and diversity of this area became the underlying reasons for building this unique golf resort and contributed to the creation of a true golfing gem. The grounds of the expansive, 36-hole golf course at Penati Golf Resort encompass **217 hectares of breathtakingly preserved environs**.

It consists of two 18-hole courses of the highest quality: **LEGEND COURSE** and the **HERITAGE COURSE**. The International European Mid-Amateur Championship is going to take place on the 18-hole course **LEGEND**

COURSE bearing the signature of the world-famous design school **Nicklaus Design**. The resort boasts **the longest hole in Europe at 716 m**. Golfers appreciate the short game practice areas - 2 large putting greens and a large chipping area.

A sizeable **driving range of 98 yards by 295 yards** is situated alongside the lake. Players enjoy the option of hitting from covered stalls or from grass. With its uncommonly large size and distinctive features Penati Golf Resort is the first golf complex in Slovakia designed to meet all expectations of a broad range of golfers.

Players can enjoy golf from early spring to late autumn in the beautiful surroundings of the Small Carpathians, amidst fragrant pine forests and shimmering white bunkers.

Penati Golf Resort is the latest holder of the prize **EUROPE ENVIRO OSCAR 2012** for respecting and protecting the countryside's natural beauty.

FOREWORD

SLOVAK GOLF ASSOCIATION

On behalf of the Slovak Golf Association I would like to invite all teams, players as well as all officials and supporters to the International European Mid - Amateur Championship 2013.

It has been a fourth time when Slovakia got the opportunity to host and organize a tournament of EGA, and it is really a big honour for Slovakia, such a young golf country, to organize right now 2 golfing events of European importance when one of them is the International European Mid - Amateur Championship 2013. This tournament will be a huge challenge for all players and I believe that the golf game will check up and prove their playing skills and knowledge.

I am convinced that Nicklaus Design - Legend Course in Šajdikove Humence will be prepared in perfect condition and I am sure that it will be a great and unforgettable experience not only for all participating competitors, but also for all the officials, whole staff members and volunteers. Similarly all the spectators and golf fans can see and enjoy golf of the highest standard.

For us it's a big pleasure to have such a championship here. I wish to all the golfers much success, so let the best player win!

Ing. Tibor Hubík
President I Slovak Golf Association
