R.F.E.G. President's Message

On behalf of the Royal Spanish Golf Federation, I have great pleasure to welcome all participants of the International European Seniors' Championship 2014!

Real Club de la Puerta de Hierro venue of this competition, with more than one hundred years of history, is considered one of the most important and prestigious clubs in Spain. The championship course designed by Robert Trent Jones II, which has undergone some modifications since its first design, is very challenging and has been venue of many major amateur and professional tournaments such as the WATC 1970 and 25 editions of the Spanish Open! I am sure you will all enjoy playing the course!

My gratitude to the President of the Club, Board of Directors, staff and maintenance, for hosting the tournament and helping with the preparations, and presenting the course in such magnificent conditions!

I wish all participants, a very successful and enjoyable tournament, and I hope the good weather will accompany us, which will allow you also to enjoy and visit Madrid and its surroundings.

It is a great honor for us to host this superb competition, and I look forward to seeing you all in Puerta de Hierro
