Counting Event for the R&A World Amateur Golf Ranking

CONDITIONS

ELIGIBILITY:

Any amateur player born after January 1st 1999, with an exact handicap of 6.0 or better, in possession of their National Federation or Union Membership Card is eligible to enter. All entries will be subject to the approval of the Championship Committee which reserves the right to accept or refuse, or having accepted, subsequently reject any entry without giving reason for its decision.

The number of participants shall not exceed 90 players, who will be registered correctly and timely, with lowest exact handicap, never exceeding 6.0 handicap. The criteria used for establishing priorities among players with the same exact handicap will be the earliest date of entering.

For Spanish Players, the official exact handicap to make the list of accepted players will be listed in the database of the RFEG at 10:00 a.m. the day after the closing date. For foreign players, the official exact handicap used for all purposes will be the handicap certified at date of entry for their National Golf Federation, Union or Association.

If, for any reason, a competitor is unable to participate, he must communicate this to either the Championship Committee at the Club or to the Amateur Technical Committee or the Royal Spanish Golf Federation before 12:00 a.m. two days before the start of the championship. Any player who fails to follow this procedure risks having his entry refused for the following year's edition.

Unsuccessful entrants will be informed immediately after the closing date and will be placed on a reserve list, by exact handicap order, and given the opportunity to compete if there are subsequent withdrawals. The possible absences reported in the specified period will be covered one by one. The criteria used for establishing priorities among players with the same exact handicap on the reserve list will be the earliest date of entering.

The registration of players and the payment of the entry fee will be made in the golf club together, within the time and place established by the Championship Committee (on the official practice day preferably). Players who can not go the club on the official practice day and, as such, can not register and pay the fee by the deadline, should contact the secretary of the club or the tournament director to confirm their participation in the championship conclusively. Failure to do so, may result in the Championship Committee may replacing the player with another player from the appropriate waiting list (if any).

FORMAT:

Over four rounds of 18 holes stroke play scratch each day (72 holes from white marks). After the 3rd round, a cut will be established. The first 50 qualified players and ties will qualify for the 4th round.

In the event of a tie for the first place, the winner shall be decided by a sudden death play-off. The championship committee will lay down the order of the holes to play. If it is not fixed, the natural order will prevail. The runner-up trophy will be awarded to the highest playing handicap player.

If for any reason, any representative of the U-16 scratch category does not qualify for the 4th round, the prize for that given category will be in accordance with the 3rd round classification.

Caddies will not be allowed.

NOTE: The Championship Committee reserves the right to amend the championship conditions.
