Registration fee: 150€ each Team (pair). This value includes WPC fee, practice times, Thursday competitions, Welcome cocktail and Awards Ceremony.

Pair Registration

Three registration dates will be available according to place of origin:

A) International and Iberian peninsular players:

For all those pairs going to the Canary Islands from any country or from the Spanish Iberian Peninsula the first registration deadline will be open until 23st February 2018 at 11:59pm. 60 pairs will be guaranteed their registration on a first-come basis and only a maximum of three couples from each country will be admitted. From that date, ten more places will be saved for pairs who register after the deadline on a first-come basis.

According to the aforementioned, the RFEG P&P Committee will save three places for pairs, regardless of the players' place of residence.

A waiting list will be created, on a first-come, first-served basis, with surplus pairs (3 per country).

B) Canaries players:

For those pairs with at least one Canary player, the registration deadline will be open until 23st February 2018 at 11:59pm. At least 15 days before, to establish a direct classification, these pairs must play a qualifying tournament. Ten pairs will be guaranteed a direct classification. A waiting list will be created to cover those left-over places that were not taken by other national or international players.

C) Las Palmeras Golf Club players:

For those pairs who have been members of the club for at least six months, the registration deadline will be open until 23st February 2018 at 11:59pm. At least 15 days before, to establish a direct classification, these pairs must play a qualifying tournament. Ten pairs will be guaranteed a direct classification. A waiting list will be created to cover those left-over places that were not taken by other national or international players.

Should there be various waiting lists, 72 hours prior to the beginning of the Championship (13:00h on Tuesday, 20th March 2018), until all places have been covered, one pair from each list will be admitted in the following order: list A, list B and list C, until all places have been covered.
