PROTECTION MEASURES AGAINST COVID- 19

SPANISH INTERNATIONAL LADIES' STROKE PLAY CHAMPIONSHIP 2021

GENERAL GUIDELINES:

Update September 3, 2021

1. The RFEG organizing committee present at the tournament will undergo a preventive test before the start of the competition.
2. The number of companions per player is limited to 1 (which will have to be the same throughout the tournament) to avoid crowds and facilitate the development of the event in safe conditions for everyone. At the time of registration, each companion will be given accrediting bracelets of different colors to wear each day of training and competition.
3. It is strongly recommended to reduce the number of close contacts at all times to a maximum of 2 people. Establishing a contact bubble is considered the most effective way in reducing contagion and facilitating traceability.
4. Each participant and one accompanying person, if exists, **will undergo an antigen COVID test on site before the start of the competition and will have to give a negative test result to access the club's facilities. This test will take place** the day of official registration and first practice day. A positive result from the player or companion will imply non-acceptance in the tournament. The registration time must be 90 minutes before your departure time for practice.
5. The players and their companion must also deliver to the tournament office, before accessing to use the club's facilities, the **Responsible Declaration** and the **Personal Location Form** duly completed and signed.
6. In the case a player informs the organization that has symptoms compatible with those of COVID, the player will be isolated, referred to the nearest Health Center for evaluation and in the case that the player tests positive for COVID, the health authorities will be immediately informed so that they can proceed according to the current regulations.
7. Each player will be allowed access to the field only 90 minutes before the start. At the end of his round, player will be able to use the practice facilities for 90 minutes. The temperature at the starting tee will be taken daily and if it exceeds 37.5 °C, the player will have to leave the club..
8. The organization will place disinfectant hydrogel dispensers in strategic places: to ensure the safety of the players.
9. The local rules and permanent local rules of the RFEG, as well as pin positions, will be published on the website and tournament notice board to avoid being distributed on the tee.
10. Reminder banners (social distance, masks where they cannot be guaranteed, hand washing, etc...) will be placed in strategic places.
