The ECWG 2014, in fact considered the unofficial European Championship for Wheelchair Golfers, will be played by golfers with spinal injury who are not able to stand up by themselves without any help of an orthopedic item.

The ECWG 2014 will be played in accordance with the Rules of Golf and the Modification of the Rules of Golf for Golfers with Disabilities (2012) approved by the R&A Rules Limited.

COMPETITION

ECWG 2014 will be played over 36 holes (2 days) with one practice day.

ECWG 2014 will be played stableford (gross and net). Men and women will play in the same category.

- Stableford gross: each player will get stableford points according with his/her gross score in each hole.
- Stableford net: each player will get stableford points according with his/her net score in each hole.

Each player will bring a up to date certificate of his/her exact golf handicap and either his/her EDGA Medical Pass or any certificate issued by a MD regarding his/her spinal injury and stating that he/she is not able to stand up by him/herself without any help of an orthopedic item.

Prizes:

- 1st, 2nd and 3rd gross overall
- 1st net overall

Prizes may accumulate. A player will be entitled to get both a gross prize and the net one.

In gross category in the event of a tie, the winner shall then be decided by a sudden-death play-off commencing at hole number 1, then #2, then #3, and so. Rest of places shall be decided according to players' golf handicap (higher handicap will beat lower).

In net category in case of even score lower handicap will beat higher.

Flights composition: Each flight will have 2-3 players and one marker.

Starting list of first day will be made strictly according to golf handicap. Highest handicap will be first in teeing off and lowest handicap will be last.

Starting list of second day will be made according to gross classification. First day worst gross score will be first in teeing off on 2nd day and best gross score will be last.

Tee times will be placed both on the notice board of the hotel and on the notice board of the golf Club the day before each round.

Tee times of practice round will be sent by email to all players in April, Saturday the 5th the latest.
