Dear David:

On behalf of The Environmental Institute for Golf, I would like to thank the Royal Spanish Golf Federation for its continued commitment to fund scholarships in golf course management for young men and women from Spain.

We are excited to have Eloy Gonzalez joining Manuel Gonzelez and Jose Martin in pursuing a Turfgrass Management degree from Michigan State University. Enclosed for your review and approval is an invoice for the 2009-2010 Royal Spanish Golf Federation Scholarship.

Again, thank you for playing an important role in advancing the golf course management profession and industry. If you have any questions, please contact me at (800) 472-7878, ext. 4445.

Sincerely,

Mischia M. Wright
