Dear Cyprien,

It is a pleasure for me and for the Royal Spanish Golf Federation to receive your letter inviting me to a Course Walk, on Friday 16th September at Killen Castle, in Dublin.

As I all ready told you by mail, I will be available for those dates and I am exciting about the trip. I am sure I will learn so much about how to prepare the course for a huge event such as the Solheim Cup.

It will be so nice, to received that knowledge, which will be very rich full for me and for the Spanish Course that we can advice.

In a short future, my secretary Isabel will contact you for the trip arrangements and all the details.

See you soon.

Best Regards,

David Gómez Agüera
Director Comité Green – Section
