Select Your Package

Review the package descriptions on the following page to determine which most closely fits your schedule, membership type and attendance needs. Indicate your package selection on form A-2.

Advance Registration Fees

All registrations received on or before February 1, 2012, will be processed at the advance registration rate on Form A-2. Registrations received after February 1 will be processed at the standard rate. Any additional funds due, based on this policy, will be payable on site.

Seminar Selections

Seminar titles, descriptions, codes and fees can be found in the seminar section of the brochure. Seminar fees are not included in any of the registration packages. All seminars require an additional fee and have variable pricing. Review the seminar descriptions and include your first, second and third choice options on Form A-3. Online registration is real-time, and you will know what seminars are available as you go through the registration process.

Donation to the EIFG

Benevolence is part of the GCSAA foundation. The association's stated purpose upon formation was to provide assistance to the members, the profession and the game. Whether it was through the GCSAA Scholarship and Research Fund or its successor (the GCSAA Foundation or the Environmental Institute for Golf, as we know it today), giving remains a core value. Your support allows GCSAA to help you. Without your contributions, we cannot address the challenges the industry faces. Please consider donating and enlisting your facility as well to this cause that will ensure golf remains viable for future generations.

Family Registration

Complimentary registration is offered to spouses/significant others and dependent children of the main registrant. Please indicate on form A-3 whether your guest will be attending the GCSAA tournament and/or the GCSAA Education Conference and the Golf Industry Show with you.

For the National Championship and Golf Classic, you have the option to purchase an additional family social ticket for persons age 21 and up, which will entitle the guest to participate in these additional events. (See page 59 for further details.)
